To assume your birth name, or other former name, which cannot be verified from our records, you must submit a copy of your birth certificate, marriage certificate and one other form of identification, such as a social security card, a voter's registration card or a bank statement. **Please complete affidavit on the reverse side.**
4. A change of name may also be accomplished by a court order. Please consult your attorney.
5. If parties to a marriage assume the other spouse's surname in conjunction with their own, the MVA will accept hyphenated surnames. The complete name, including spaces, may not exceed thirty characters.
6. A change of name by common law refers to a name that an individual has assumed and uses openly, consistently, and without fraudulent intent. To assume a name under the common law of this state, you must submit a copy of your birth certificate and any driver's license issued in the name previously used before. You must also submit in your common law name, your original social security card (or social security records) and at least two (2) documents from the following categories: tax records, selective service card or records, voter registration card or records, passport, government photo I.D., baptismal certificate, banking records, or other proof of age and identity that is satisfactory to the MVA.
7. **If you are leasing a vehicle**, please complete another Change of Name/Address form using the owner and vehicle information from the leased vehicle's registration card.
